

Randy J. Pagnan, CTS, ISF-C

Randy J. Pagnan, President of rp Visual Solutions, has been involved in the audio visual display industry for almost three decades, specializing in 24/7 displays for large-venue display applications, as well as becoming one of the premier educators in Command and Control Center design.

In addition to operating and owning AV companies, Randy was the 2007 Chairman of InfoComm International and 2006 President, and he has been involved with both the InfoComm Design School and the InfoComm Chair of the Manufacturer's Council. Randy has been awarded status as an Adjunct Faculty Instructor for the InfoComm Academy. Additionally, Pagnan holds a CTS (Certified Technology Specialist) and ISF-C (Imaging Science Foundation-Commercial).
